

# BESSEY® Bar Clamps

Bar Clamps for Woodworking & Construction

Simply better.

## Tradesmen's Malleable Cast Bar Clamps

- 1 Integrated BESSEY® anti-slip system - set screw that is molded into the sliding arm interlocks with the serration on the rail to prevent the clamp from slipping.
- 2 Corrugated malleable cast iron fixed jaw and sliding arm generate powerful, rigid clamping. Top jaw press fitted to rail - no mechanical fasteners to loosen. Powder coating protects against corrosion.
- 3 High-quality profiled rail from BESSEY®'s own German factories. The profile acts as a reliable reinforcement against torsional forces, while the serration on six faces additionally prevents the clamp from slipping.
- 4 Smooth-running spindle with Acme thread – more clamping with less effort. Replaceable pressure plates can be easily changed without tools.

## TG Professional Series Malleable Cast Clamps

- Standard pads are field replaceable
- Choice of ergonomic shaped wood handle or 2K composite handle with comfort insert

# BESSEY® Bar Clamps

Bar Clamps for Woodworking & Construction

Simply better.

## Deep reach malleable cast

- Up to 20" throat depth available
- Tommy bar with rounded ends for simple transfer of force when clamping
- Large, stable solid flat rail with serration

BESSEY® Product #	Throat Depth	Clamping Capacity	Clamping Force
	Inches	Inches	Pounds
CDS24-10 WP	10	24	1550
CDS24-12 WP	12	24	1550
CDS24-20 WP	20	24	990

## TC Jobsite Series Malleable Cast Bar Clamps

- The ideal clamp for home workshop and occasional projects
- Flat rails are an economical alternative ... German quality at an appealing price for industrial applications
- Ergonomically shaped wood handle
- Stable, solid flat rail with serration

BESSEY® Product #	Throat Depth	Clamping Capacity	Clamping Force
	Inches	Inches	Pounds

### Light duty (TC) (Flat rail)

TC4.008	4	8	800
---------	---	---	-----

### Medium duty (TC) (Flat rail)

TC4.512	4 1/2	12	950
TC5.512	5 1/2	12	1200
TC7.016	7	16	1200

## LM Series Zinc Die Cast Bar Clamps

- Zinc die cast jaws are light weight
- Serrated rail for slip resistant grip
- Large Acme thread for quick, smooth operation
- Non-marring plastic caps on pressure pad

BESSEY® Product #	Throat Depth	Clamping Capacity	Clamping Force
	Inches	Inches	Pounds
LM2.004	2	4	330
